Ministry of Education, Science and Technological Development
of the Republic of Serbia
Belgrade, Serbia
May 21, 2015

The Embassy of the People's Republic of China in the Republic of Serbia - Economic and Commercial Counsellor's Office presents its compliments to the Ministry of Education, Science and Technological Development of the Republic of Serbia and be honored to invite Serbian side to participate the following seminar.

In order to further strengthen the communication and cooperation between China and other countries as well as to develop talents for developing countries, Ministry of Commerce of People's Republic of China set up MOFCOM Scholarship from 2015, sponsoring world-wide 270 young and the middle-aged talents from recipient countries to pursue their postgraduate degree education in China.

The scholarship winners may study in China for 2-3 years for Master's program or 3-4 years for PhD program, during which period, the Scholarship covers the tuition waiver, on-campus accommodation, 3000-3500 RMB(around 430-500 Euro) per month stipend (may vary according to different degree, major and university), medical insurance and one-time round-trip international air tickets. The same as other countries, Serbian candidates are required to be under the age of 45 when applying, have sufficient English or Chinese proficiency and have already earned respective degree.

According to the timetable, the first semester will start in September, 2015 and all procedure should be finished earlier. So please be noted that the application documents can only be accepted before June 15, 2015, after which date all documents will be submitted to the organizers in China for further decision.

Here attached are the files with detailed introduction, the list of universities and English-taught master programs. Please inform Serbian candidates prepare the necessary documents following the instruction. If there is any candidate interested in PhD program, please contact us separately.

The Embassy of the People's Republic of China in the Republic of Serbia - Economic and Commercial Counsellor's Office would like to avail itself of the opportunity to assure the Ministry of Education, Science and Technological Development of the Republic of Serbia of its highest consideration.
